SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

The Management Committee presents its report and the Financial Statements for the year ended 31 March 2019.

Legal Status

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No.1694R(S). The Association is governed under its Rule Book. The Association is a registered Scottish Charity with the charity number SCO36009.

Principal Activities

The principal activities of the Association are the provision and management of affordable rented accommodation.

Review of Business and Future Activities

The Association reported an operating surplus of £495,784. The reserves balance of £41,729,829 reported in the Statement of Financial Position (page 15) is, in part earmarked to support the continued investment in transferred stock.

Governing Body

The Association's Governing Body is the Management Committee which meets monthly. All meetings of the Committee were quorate in 2018/19 and 11 of the 12 places were filled at the AGM. A third of the Management Committee stood down in accordance with our rules and any members who had served for more than 9 consecutive years were subject to a review in accordance with the rules of the Association. All Committee members underwent an annual appraisal. The Association delegates some management functions to local Neighbourhood Committees and operates its Factoring and Mid Market Rented business through a commercial subsidiary, Southside Factoring and Related Services Ltd. An Inter-Company Agreement sets out the relationship between the parent and the subsidiary.

The Association has a complex network of Regulators. The principal regulator, the Scottish Housing Regulator continued to classify the Association as requiring "Low Engagement" but a new regulatory framework is being introduced in April 2019. The Care Inspectorate, which regulates housing support services, continued to classify services as "Good" or "Very Good". Other regulatory bodies, the Financial Conduct Authority and the Office of the Scottish Charity Regulator, had no significant engagement with the Association

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Performance as a Registered Landlord

The Association continues to show strong patterns of performance on key service areas.

In May 2019 the Association submitted its Annual Report on the Scottish Social Housing Charter (ARC) and this indicated strong performance on many areas of activity but there are challenges in relation to the impact of Welfare Reform and the introduction of Universal Credit.

However challenges on customer satisfaction rates and efficiency in the letting of homes are evident. A summary of the key outputs for the past year compared with the previous two is produced in Table 1 below.

Table 1 – Summary of Performance Outputs Reported in the ARC.

Indicators	2016/17	2017/18	2018/19	Scottish Average 2017/18
Gross Rent Arrears as a percentage of rent due (Indicator 31)	4.89	5.79	5.99	5.41
Average days to re-let properties (Indicator 35)	13.01	18.56	20.61	30.72
Percentage of rent due lost through empty properties (Indicator 34)	0.42	0.46	0.5	0.85
Percentage of tenancy offers refused (Indicator 18)	39.19	43.21	43.55	29.23
Percentage of Anti-Social Behaviour cases resolved in target (Indicator 19)	94.81	96.97		87.88
Percentage of New tenancies sustained for more than a year (Indicator 20)	95.17	92.61	93.1	88.66
Percentage of tenants satisfied with the standard of their home when moving in (Indicator 9)	97.56	96.15	91.18	90.24
Average hours taken to complete emergency repairs (Indicator 11)	1.33	1.93	1.97	3.96
Average length of time taken to complete non-emergency repairs (Indicator 12)	4.19	4.33	4.38	6.38
Percentage of homes with gas safety record renewed by anniversary date (Indicator 15)	100	100	99.6	99.81
Percentage of reactive repairs completed right first time (Indicator 13)	94.09	96.35	97.24	92.23
Satisfaction with repairs service (Indicator 16)	90.23	97.2	93.7	92.13
Percentage of self contained properties that meet SHQS (Indicator 7)	89.02	78.53	85.02	93.71
Percentage of stage 1 complaints resolved within SPSO timeframes (Indicators 4 & 5)	93.65	88.52	86.54	86.27
Percentage of stage 2 complaints resolved within SPSO timeframes (Indicators 4 & 5)	87.1	72.22	78.26	83.36

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Performance as a Registered Landlord

A detailed comparative report on the ARC is delivered to every tenant in October each year. Under the new regulatory framework introduced in April 2019, the Association will also be issuing an annual assurance statement to customers that will highlight strengths and weaknesses in relation to our regulatory obligations. Historically we have issued an Annual Report to customers at our AGM in August each year, but given this new reporting obligation it is our intention to shift this reporting requirement to October each year and combine the report on the ARC, the annual assurance statement and the annual review of the year to this October juncture.

Investment in our Homes

In addition to the performance data highlights there were a number of significant milestones and outputs achieved over the past year including

- Funding of up to £30m was secured for investment in existing homes and building new homes through a new loan facility with Swedish Bank Handelsbanken
- We continued to improve and allocate individual pre-1919 tenement flats bought between 2014/15 and 2017/18 and restarted a programme of acquiring further flats in March 2019.
- The first phase of new homes on the former deck access flats site in St Andrew's Drive near completion
- Phase 2 of the St. Andrew's Drive stock was cleared and demolished and new homes will start being built later in 2019
- The refurbishment of 166 Gorbals Street is nearing completion and will be let early in 2019/20 for Mid Market Rent
- Portman Street new build for Mid Market Rent was completed
- Admiral Street new build for social housing and Mid Market Rent was completed
- An option appraisal of alternative heating systems for the mini multi flats in Cardonald and Pollokshields was completed and an air source heating system is being piloted in selected properties
- Work commenced on the new Halfway Community Park with financial support from the Green Infrastructure Fund and Glasgow City Council City Deal Funding.

The table on the next page details where the Association has spent money in the past year making improvements to tenants homes.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Building New Homes

Table 2 below sets out the scale of the Association's Development commitments over the past year and the new funding from Handelsbanken noted above will secure continuing capacity to address housing need in the local community.

No	Projects	Rent	MMR	Other	Grant Funding (millions)	SHA Funding (millions)	Complete
1	Portman Street, Ph 2		24		£1.0	£1.3	Apr 2018
2	Admiral Street	20	15		£2.1	£2.6	Feb 2019
3	Strathbungo Tenements		26		£1.0	£1.0	Apr 2019
4	St Andrews Drive, Ph 1	36		13	£4.3	£3.1	May 2019
5	166 Gorbals Street		6	1	£1.9	£0.5	Jun 2019
	TOTALS	56	71	14	£10.30	£8.50	

Wider Role

The Association has a role beyond simply being a social landlord and sees itself embedded in the local community and working alongside residents to build thriving neighbourhoods. The Association continues to invest in communities and employs Community Development staff to support this work. The Association continues to invest in local community bases including

- Community flat in Hartlaw Chirnside
- Residents Lounge in Queensland
- Community flat in Moss Heights Avenue in association with Govan Community Project
- A new Community Flat in 150 Berryknowes Road
- Community Base in 423 Shields Road in partnership with Glendale Women's Café
- Residents lounges in Herriet Court and Newark Drive former sheltered housing.

One of the big disappointments in 2018/19 was the failure of the partnership with the Nan McKay Hall for a new £2.1m Community Hub in Pollokshields. Having committed significant resources to securing £1m from the Big Lottery Fund and £550k from the Scottish Government, the withdrawal of the Nan McKay Hall from the partnership resulted in both funding commitments being withdrawn and the project being unable to progress. This is a huge loss to the existing community and future generations of residents in Pollokshields.

On a more positive note, and because of strong backing from the local Glasgow City Councilors, the Association was finally able to start work on a new Community Park in Halfway, Cardonald. This £2.2m investment for the local community includes £892k from Green Infrastructure Funding, £673k from GCC City Deal Funding, £550k from the Association's own resources, £100k from WREN Landfill monies, £20k from EB Scotland Landfill monies, £34k from Env2 monies and £2.5k from our good friends at the Glasgow Tree Lovers Society.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Building New Homes

In addition to this commitment to community support, the Association continues to invest heavily in advice services for both its tenants and the wider community. Our objective is to protect households and communities from the worst impact of Welfare Reform by ensuring we maximize people's entitlements.

We employ five specialist advice workers, including a debt counsellor, and three of these posts are paid for from the general rent account.

Two posts are paid for from a grant from the Big Lottery Fund. This is a five year grant and 2019/20 is the last year of this grant.

Southside Factoring and Related Services Ltd. (SFARS Ltd.)

The Association continues to operate a commercial subsidiary, SFARS Ltd. As a charity, the Association strives to ensure that this commercial subsidiary is a net contributor to the financial health of the Association. In most years the subsidiary delivers a small profit and the Association has the option to receive this surplus as a tax deductible distribution. In the past year, due to higher than anticipated staff costs, the subsidiary has run at a small loss but the business plan for SFARS projects health surpluses in the coming years. As the level of Mid Market Rent (MMR) business increases.

SFARS delivers two distinctly branded services, "Southside Residential" – a factoring service to 1000 owners, and "Southside Letting" –an MMR service to over 200 households. The growth in both services over the past year has been significant. Southside Residential took on over 170 new customers in 2018/19. During the same period, Southside Letting's portfolio grew through a mixture of new build for MMR and the re-provisioning of pre-1919 tenement flats bought under the GCC funded private acquisition programme. These re-provisioned properties are bought with 100% acquisition grant, and refurbished with a 50% repair grant. The properties are owned by SHA and leased to the subsidiary company. Also in 2018/19 SFARS launched a new 'Private Letting' partnership with private landlords and by the end of the year we were letting 28 properties for private landlords.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Care and Repair

The Association continues to manage Glasgow Care and Repair for the city with funding support from Glasgow City Council and the Health and Social Care Partnership. The range of services provided includes:

- basic advice work for private householders aged over 60,
- a handyperson service for elderly or disabled homeowners,
- a handyperson service for a number of different housing associations,
- a Home and Hospital Service to aid hospital discharge,
- a Scottish Government funded Equity Release scheme.

During 2018/19, the partnership with housing associations to deliver handyperson services to vulnerable

- Southside Housing Association
- Linthouse Housing Association
- Glen Oaks Housing Association
- Thenuue Housing Association
- New Gorbals Housing Association
- Govanhill Housing Association
- Blackwood Housing Association

The Association continues to provide registered housing support services but on a reduced scale. Our former sheltered housing are now de-registered as a result of GCC cuts to warden services and are now designated as Retirement Housing. Given the cuts to the traditional sheltered housing warden service, the Association took the decision to create a new post to provide additional management support to these former sheltered housing developments. Our one remaining registered service is for the Saffron Project, which provides housing support for up to 22 young single homeless from a BME background. This service is funded by Glasgow City Council and is regulated by the Car inspectorate, who carry out regular inspections of the service. There were no inspections of the service in 2018/19 and the previous inspection in 2017/18 classified the service as "Very Good".

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

Statement of Management Committee's Responsibilities

The Co-operative and Community Benefit Act 2014 requires the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to: ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements - 2019. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2019

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2019. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Donations

During the year the Association made charitable donations amounting to £6,037 (2018 - £5,259).

Auditors

A resolution to re-appoint the Auditors, Alexander Sloan, Accountants and Business Advisers, will be proposed at the Annual General Meeting.

By order of the Management Committee

Secretary
20 June 2019

SOUTHSIDE HOUSING ASSOCIATION LIMITED

REPORT BY THE AUDITORS TO THE MEMBERS OF SOUTHSIDE HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on page 10 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication 'Regulation of Social Housing in Scotland' and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 10 has provided the disclosures required by the relevant Regulatory Standards with the publication 'Regulation of Social Housing in Scotland' and associated Regulatory Advice Notes by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee, and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication 'Regulation of Social Housing in Scotland' and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SOUTHSIDE HOUSING ASSOCIATION LIMITED

Opinion

We have audited the financial statements of Southside Housing Association Limited (the 'Association') for the year ended 31 March 2019 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with the Co-operative and Community Benefit Society Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2019 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefits Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2019.

In our opinion the exemption granted by the Financial Conduct Authority from the requirement to prepare Group Accounts is applicable as the amounts involved are not material.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Management Committee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Management Committee is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Management Committee.

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SOUTHSIDE HOUSING ASSOCIATION LIMITED (Continued)

Responsibilities of the Management Committee

As explained more fully in the Statement of Management Committee's Responsibilities as set out on Page 9, the Management Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Committee.
- Conclude on the appropriateness of the Management Committee use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Association to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Association audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for social housing providers 2014. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2015.

Basis of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by Registered Social Landlords 2014, and on the historical cost basis. They also comply with the Determination of Accounting Requirements 2019. A summary of the more important accounting policies is set out below.

Basis of Consolidation

The Association has obtained exemption from the Financial Conduct Authority from producing Consolidated Financial Statements as provided by Section 14(2A) of the Friendly and Industrial and Provident Societies Act 1968. The financial statements for Southside Housing Association Limited present information about it as an individual undertaking and not about the group.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates.

Retirement Benefits

The Association participates in the Strathclyde Pension Fund and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

The Association also participates in the Scottish Housing Associations Defined Benefit Pension Scheme where retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

The Association also participates in the Scottish Widows defined contribution pension scheme.

Valuation Of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 11. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Windows	30 years
Kitchen	15 years
Bathroom	20 years
Central Heating	20 years
Boilers	15 years
Rewiring	25 years
Lift Installation	25 years
Structure	50 years
CCTV	10 years

SOUTHSIDE HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019
NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES

Depreciation and Impairment of Other Non-Current Assets

Non-current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Office Premises	2%
Furniture and Fittings	33%
Computer & Office Equipment	20%-33%
Motor vehicles	20%

The carrying value of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grant and Other Grants in Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which it relates.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would normally be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals of housing property under the Right to Buy scheme are treated as non-current asset disposals and any gain or loss on disposal accounted for in the Statement of Comprehensive Income.

Disposals under shared equity schemes are accounted for in the Statement of Comprehensive Income. The remaining equity in the property is treated as a non-current asset investment, which is matched with the grant received.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019
NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES

Leases/Leased Assets

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Service Charge Sinking Funds

The Association receives a service charge from owner occupiers to fund future planned maintenance, cyclical maintenance and car park costs. In accordance with the Statement of Recommended Practice the balance of unspent service income is included as a liability where amounts are repayable or contributions are reduced.

Property Development Cost

The proportion of the development cost of shared ownership properties expected to be disposed of as a first tranche sale is held in current assets until it is disposed of. The remaining part of the development cost is treated as a fixed asset. Surpluses made on the disposal of first tranche sales are taken to the Statement of Comprehensive Income in accordance with the Statement of Recommended Practice.

Property developments that are intended for resale are included in current assets until disposal.

Negative Goodwill

Negative goodwill created through acquisition is written off to the Statement of Comprehensive Income as the non-cash assets acquired are depreciated or sold.

Housing Property Managed By Agents

Where a third party manages the Association's housing property the accounting treatment reflects the substance of the transactions. The property is only excluded if the rights and obligations associated with the scheme has been transferred to the third party.

VAT

The Association is VAT registered but a large proportion of its income is exempt for VAT purposes. As a result most of the VAT paid is not recovered and therefore expenditure is shown inclusive of VAT.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019
NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES

Key Judgements made in the application of Accounting Policies

a) The Categorisation of Housing Properties

In the judgement of the Board of Management the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Association considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Financial instrument break clauses

The Association has considered the break clauses attached to the financial instruments that it has in place for its loan funding. In the judgement of the Board of Management, these break clauses do not cause the financial instrument to be classified as a complex financial instrument and therefore they meet the definition of a basic financial instrument.

d) Pension Liability

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. This year the Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Association and has therefore adopted this valuation method.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the Management Committee to exercise judgement in applying the Association's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

d) Costs of shared ownership

The Association allocates costs to shared ownership properties on a percentage basis split across the number of properties the Association owns.

e) Defined pension liability

Determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds.

f) Allocation of share of assets and liabilities for multi employer schemes

Judgements in respect of the assets and liabilities to be recognised are based upon source information provided by administrators of the multi employer pension schemes and estimations performed by the Pensions Trust.

24. INVESTMENTS

Investments in Subsidiaries	2019 £	2018 £
Cost		
As at 1 April and 31 March	1	1
NBV		
As at 31 March	1	1
As at 1 April	<u>1</u>	<u>1</u>

In the opinion of the Management Committee the aggregate value of the assets of the subsidiary is not less than the aggregate of the amounts at which those assets are stated in the Association's balance sheet.

The Association has a 100% owned subsidiary named Southside Factoring and Related Services Ltd. The relationship between the Association and its subsidiary is set out in an independence agreement between both parties.

The aggregate amount of capital and reserves and the results of Southside Factoring and Related Services Ltd for the year ended 31 March 2019 were as follows:

	2019 £	2018 £
Capital & Reserves	<u>(7,124)</u>	<u>20,112</u>
(Deficit) / Surplus for the year	<u>(26,421)</u>	<u>14,687</u>

The Association rents properties to the company which the company then rents out to tenants. During the year the Association charged the company £428,049 in rent (2018: £303,202). The Association recharges the company for costs it incurs on behalf of the company including staff costs. During the year £242,631 (2018: £192,1067) was recharged in staff costs. The Association charged the company £55,000 (2018: £55,000) in management fees . The company also charged the Association £125,424 (2018: £126,450) in factoring management fees during the year. At the year end the company owes the Association £78,228 (2018: the company owes the Association £28,353). The Association has agreed to provide financial support to the subsidiary for the next 12 months.

Adjustment for past service deficit	(468,943)		(468,943)	-
Other movement on profit or loss	100,000	(48,000)	52,000	(104,000)
Actuarial movement in current year	(160,000)	(316,000)	(476,000)	997,000
	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Balance as at 31 March 2019	(813,000)	(763,000)	(1,576,000)	(399,000)
	<u> </u>	<u> </u>	<u> </u>	<u> </u>

The pension fund is administered by the Pensions Trust. Previously only the past service deficit was included as a liability in the financial statements as the Association's share of the pension assets and liabilities could not be determined. This year the Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The figures are available at 1 April 2017 and 31 March 2019. The Co-operative has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Co-operative and has therefore adopted this valuation method.

SOUTHSIDE HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019
NOTES TO THE FINANCIAL STATEMENTS (Continued)

26 RETIREMENT BENEFIT OBLIGATIONS

Strathclyde Pension Fund Defined Benefit Scheme

The Association operates a defined benefit scheme as an admitted body under the Strathclyde Pension Fund, the assets of which are held in a separate trustee administered fund.

The administering authority has responsibility for the management of the Fund. As most of the Fund's investments are equity based, there is an inherent risk of volatility in the investment market having a significant effect on the value of the fund's assets. In order to mitigate this risk, the Fund holds a diverse investment portfolio with a range of investment managers.

At the balance sheet date, there was 18 active member of the scheme employed by the Association. Total pension contributions made by the Association for the year were £117,000. Gross pensionable salaries for the year were £447,000.

The following figures are prepared by the Actuaries in accordance with their understanding of FRS 102 and Guidance Note 36: Accounting for Retirement Benefits under FRS 102 issued by the Institute and Faculty of Actuaries.

Principal Actuarial Assumptions

Assumptions as at	2019 %p.a.	2018 %p.a.	2017 %p.a.
Salary increases	3.7%	3.6%	4.4%
Pension increases	2.5%	2.4%	2.4%
Discount rate	2.4%	2.7%	2.6%

The defined benefit obligation is estimated to comprise of the following:

	2019 £000	2018 £000	2017 £000
Employee members	4,111	3,454	4,626
Deferred pensioners	513	455	-
Pensioners	1,423	1,379	1,315
	<u>6,047</u>	<u>5,288</u>	<u>5,941</u>

Mortality Rates

Life expectancy is based on the PFA92 and PMA92 tables, with mortality improvements projected based on members' individual year of birth. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	Males (Years)	Females (Years)
Current Pensioners	21.4	23.7
Future Pensioners	23.4	25.8

27 RETIREMENT BENEFIT OBLIGATIONS

Scottish Housing Association Pension Scheme

Southside Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the scheme). The assets of which are held in a separate trustee administered fund.

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal then the liability of the withdrawing employer is re-appointed amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

The last valuation of the Scheme was performed as at 30th September 2015 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £612m. The valuation revealed a shortfall of assets compared with the value of liabilities of £198m (equivalent to a past service funding level of 76%). All Scheme members have agreed to make contributions towards the past service deficit.

The administering authority has responsibility for the management of the Fund. As most of the Fund's investments are equity based, there is an inherent risk of volatility in the investment market having a significant effect on the value of the fund's assets. In order to mitigate this risk, the Fund holds a diverse investment portfolio with a range of investment managers.

At the balance sheet date, there was 16 active member of the scheme employed by the Association. Total pension contributions made by the Association for the year were £121,508. Gross pensionable salaries for the year were £Nil.

The following figures are prepared by the Actuaries in accordance with their understanding of FRS 102 and Guidance Note 36: Accounting for Retirement Benefits under FRS 102 issued by the Institute and Faculty of Actuaries.

Principal Actuarial Assumptions

Assumptions as at	2019
	%p.a.
Salary increases	3.3%
Pension increases	3.3%
Discount rate	2.3%

The defined benefit obligation is estimated to comprise of the following:

	2019
	£000
Employee members	16
Deferred pensioners	12
Pensioners	9
	<hr/>
	37
	<hr/>

Mortality Rates

Life expectancy is based on the PFA92 and PMA92 tables, with mortality improvements projected based on members' individual year of birth. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	Males	Females
	(Years)	(Years)
Current Pensioners	21.7	23.4
Future Pensioners	23.1	24.7
