**Alex Cameron  
(Chairperson)**

**Margaret McIntyre  
(Vice Chairperson)**

**Jonah Chireka  
(Secretary)**

- Betty MacNeil
- Iain Dyer
- Surjit Singh Chowdhary
- Munir Choudry
- Alison Devlin
- Ruth McCluskey
- Shirley Robison
- Liz Ely
- Elisa Campanaro

# CEO WELCOME

## WELCOME TO OUR SPRING NEWSLETTER.

It only feels like yesterday since we were preparing the winter edition of the newsletter and now we're in Spring with lots going on.

There are articles in the newsletter addressing some of the real issues and concerns facing our communities detailing services to help address this. I have also attempted to explain some of the detail behind the recent rent increase and hope that this provides some rationale behind the consultation process and the need to raise income to deal with cost increases being faced by the Association.

I'd like to thank those of you who responded to the Tenants Satisfaction Survey – the results of which will be presented in the Summer edition. It's important that at least every 3 years, we carry out an independent survey to really understand the views of our tenants – this allows us to focus our improvements and actions on those areas where satisfaction is reducing or low. This year as part of the process we also carried out an Equalities Survey to ensure that we properly understand the make-up of our customers in terms of gender, ethnicity, disability etc.

The opening of the Cardonald Larder has been a great success and welcome addition for local residents. Good Food Scotland opened the facility in partnership with Southside HA at 12 Swinton Place. Open on Tuesdays (10am – 1pm) and Thursdays (3pm – 6pm) the larder offers a monthly £1 membership allowing customers to buy affordable food items, such as food and vegetables, meat, milk, bread, frozen goods, nappies, household products and much more.

This is about affordable food provision and not just for people who are in receipt of benefits or cannot afford to buy food elsewhere – it's an affordable, local alternative, accessible to all who live and work in the area.

We have drastically improved our customer responsiveness since the start of the year by changing the way that phones are answered and ensuring that we have staff available to respond to customers. I'm aware that there are still areas particularly around repairs, that still need to improving on. I can assure you that we are focussing on this and also looking ahead to engaging a range of contractors to provide services to our customers to ensure that we can better manage performance and service delivery.

Work is well under way at the Queensland Community Park. Southside Housing Association and Glasgow City Council, through Glasgow City Deal investment, are leading a project to improve the green space surrounding the blocks at Queensland Court and Gardens to make the space a great place to live. We have been working for around 4 years developing plans for the project and securing funding.

The works started earlier this year and when the work is completed you'll see:

- A fun and active zone including a play park, a pump track for bikes and scooters, natural play equipment for climbing, swinging and sliding. The multi use games area will remain.
- An informal woodland area along the railway line fencing.
- Drainage systems called swales and raingardens to help manage rain water better.
- Cycle storage with green roofs.
- A total of 78 parking bays (39 at each block).
- 10 disabled parking bays.
- Electric parking bays.
- Improved lighting.

As we are all aware our climate is changing, with more rain due to fall the Park will help to reduce the risk of flooding not just for the Queensland residents but for the wider Cardonald neighbourhood both now and in years to come.

We were pleased to reopen our office at Shields Road Office (Mon/Tue/Thu – 9am-5pm) to make access easier for residents of Pollokshields and the neighbouring areas. As our properties are completed in the coming weeks and months in St Andrews Drive, this facility will be well used and ensure that we are closer to our community on a daily basis.

I hope you enjoy reading the newsletter and thanks for being a valued customer of Southside HA.

Best Wishes

**Paul McVey**

# RESULTS OF RENT CONSULTATION EXERCISE

Following our recent rent consultation exercise, around 14% of our tenants responded. Of those who responded a small majority agreed that the proposal of a 6% rent increase was about right, and rents have been increased by this level.

We are in the process of responding to all of those tenants who submitted comments which either required further explanation or requested offers of assistance.

As an organisation we appreciate that many people are experiencing financial hardship and our aim is always to keep our rents as affordable as possible. We know 6% is significant and we do not underestimate the effect of this on you. It's important that we try to explain why we have implemented the increase and some of the context behind the process and decision.

As a social landlord Southside Housing Association has to ensure that we can continue to meet our own financial obligations and that the Association remains financially stable. We want to ensure that we can continue to deliver services over and above simply renting properties. Amongst other responsibilities, this includes:

- Reactive and Cyclical Repairs
- Planned Maintenance & Investment
- Managing Estates and individual tenancies
- Financial Control and Management
- Community Support

In order to achieve this, we have a Business Plan which outlines how we will manage to deliver these responsibilities and commitments within budget.

However the current challenging economic crisis we are all facing has required significant changes to the Plan simply to ensure we can still deliver our commitments and also try to keep any rent increase below inflation given it's current high level.

Although inflation in many areas has gone up by just over 10% - there are other costs which have increased significantly higher -

- loan interest charges are way above what was predicted;
- contractor costs are between 15 - 30% higher than before;
- utility costs have increased in some areas by over 300%;
- insurance costs are also expected to increase by over 35%.

Even if we focus on the 10% figure, a rent increase of 6% is well below that. This effectively means that the 6% increase loses the Association in the region of £0.5m per year - and every year. With the reality actually being a bigger loss given the higher increase in costs mentioned earlier.

Some of the feedback received from those who responded to the consultation was that despite rent increases there is not always an improvement in the services provided by the Association or any major improvements to their homes.

It is recognised that in recent years our level of service in some areas has not been what it should be. However, we are focused on improvement in the months and years ahead. All of our major improvement works are planned and programmed to take place according to their lifespan. As a tenant living in one of our properties, you could expect certain improvements to happen in your home over the course of time, but there will be periods of time when no improvements will be carried out. In order to conduct these major works when they are due we need to ensure there are sufficient funds to cover the cost.

In most cases the annual rent increase is to allow the Association to continue to deliver our services and an increase is not always about new services.

Southside Housing Association is a not for profit organisation which means any additional funds we do have are invested directly back into the running of the Association.

We are really grateful for the responses which help us understand the views of our tenants – and we do understand the pressures on our customers. We will continue to work hard to improve our services and make things better.

In recognition of responding to our consultation exercise we held a prize draw and the following will receive a £50 Asda Voucher:

- Mr Thomas, Pollokshields
- Ms Ashiq, Pollokshields
- Mr Mahamad, Pollokshields
- Ms Kay, Cardonald

## DROP IN SURGERY FOR TENANTS

Housing staff will be holding a 'drop in' surgery, providing one to one sessions for tenants from Moss Heights to discuss any matter of concern with your Housing Officer.

The monthly sessions will be held at the Community Flat 150 Berryknowes Avenue, Flat 0/2, Cardonald, G52 2LR.

If you are unable to attend but would like to discuss issues with your Housing Officer Maxine Dock contact us on 0141 422 1112 or email [MDock@southside-ha.co.uk](mailto:MDock@southside-ha.co.uk).

Follow our Facebook page for details on dates and times of sessions: [www.facebook.com/SouthsideHA](https://www.facebook.com/SouthsideHA)

150 Berryknowes Avenue

# STAFFING CHANGES - HELLO/GOODBYE

With over 100 employees at Southside HA there is always some movement with staff leaving and new staff joining.

Following changes to our staffing structure we were delighted that Pauline Fletcher took on the role of Director of Housing and Communities. Despite tough competition, Pauline emerged as the best candidate for the job and started work in the team in January 2023.

Pauline Fletcher

Pauline brings years of experience latterly as our Community Programmes Manager leading on a range of projects across our communities.

Paul McVey, CEO commented **“Pauline brings to the Leadership Team excellent strategic and project management skills and has a “can do” attitude in terms of problem solving. The role is about more than just the housing management element, which is of course hugely important, but it is also about pulling together all the various strands of our services - community programmes, welfare benefits and advice, concierge and mobile facilities etc. With Pauline’s enthusiasm and determination to succeed we are delighted to have her join the team.”**

Since the New Year, a number of our Mobile Facilities Officers have left - Kieran, Nate, Andy and Mark, and we have replaced them so far with Ellie McKenna, Lloyd Wylie and Marissa Nicolson. We have also recruited Michael Rowan and Andrew Smillie to fill our Concierge vacancies.

There has been some movement in our Property Services team too with Lynne Buchanan and Suzie Kerr leaving. We have brought in Sean McCann and Shaun O’Hara as Property Services Officers and will be recruiting a Property Services Manager shortly. Our Property Services Officers are now working in an area patch - and Shaun and Sean have integrated to the team and the Association seamlessly. The structure of the Property Services & Investment Department also is in the process of changing which will hopefully improve the way our services are delivered.

We are also pleased to welcome 2 new members to our Customer Services Team - Stephen Lauder and Deborah McAreavey - both have settled in really well and are doing a great job.

# HOUSING TEAM

**Shahnaz Shakoor, Housing Team Manager - Neighbourhood**

## Housing Officers

**June + Bridget**

**Fraser**

**Lisa**

**Maxine**

**Chris**

### **Cardonald**

June Carmichael and Bridget MaGuire job share and are responsible for the following areas:

Carham Drive  
Chirnside Place  
Craigmuir Road  
Gleddoch Road  
Hartlaw Crescent  
Queensland Court  
Queensland Gardens  
Swinton Place

### **Kinning Park & Pollokshields mini-multis**

Fraser Stevenson is responsible for the following areas:

Admiral Path  
Barfillan Drive  
Edinbeg Avenue  
Elizabeth Street  
Govan Road  
Ibrox Street  
Maryland Gardens  
Maxwell Avenue  
Maxwell Drive  
Maxwell Gardens  
Maxwell Grove  
Middlesex Street  
Midlock Street  
71 - 99 Paisley Road West  
St Andrews Crescent  
St Andrews Drive  
St Johns Quadrant  
Stanley Street  
Urrdale Road

### **Strathbungo, Cathcart & Shawlands**

Lisa Hough is responsible for the following areas:

Albert Road  
Allison Place  
Allison Street  
Auldburn Place  
Baker Street  
Battlefield Avenue  
Battlefield Road  
Bowman Street  
Calder Street  
Cartside Street  
Chapman Street  
Craigie Street  
Ellangowan Road  
Grantley Street  
Kilmarnock Road  
Kingarth Street  
Langside Lane  
Langside Road  
Lochlea Road  
Manse Brae  
Minard Road  
Niddrie Road  
Old Castle Road  
Overdale Gardens  
Pleasance Way  
1047 - 1137  
Pollokshaws Road  
1594 - 1596  
Pollokshaws Road  
Prince Edward Street  
Prospecthill Road  
Ruel Street  
Tantallon Road  
Torrisdale Street  
Victoria Road  
Waverly Gardens  
White Cart Court  
Woodford Street  
Queen Mary Avenue

### **Halfway**

Maxine Dock is responsible for the following areas:

Belltrees Avenue  
Berryknowes Avenue  
Berryknowes Road  
Braidcraft Road  
Invergyle Drive  
Montrave Path  
Montrave Street  
Moss Heights Avenue  
Mosspark Boulevard  
Mossview Quadrant  
1539 - 1744 Paisley Road West

### **Pollokshields & Strathbungo**

Chris O'Brien is responsible for the following areas:

Albert Drive  
Butterfield Place  
Darnley Street  
Eglinton Street  
Forth Street  
Glenapp Street  
Gorbals Street  
Herriet Street  
Keir Street  
Kenmure Street  
Kingarth Street  
Leslie Street  
Leven Street  
Lincluden Path  
March Street  
Maxwell Road  
McCulloch Street  
Melville Street  
Newark Drive  
Nithsdale Drive  
Nithsdale Road  
Nithsdale Street  
345 - 357  
Pollokshaws Road  
605 - 690  
Pollokshaws Road  
Shields Road  
St Andrews Road

# BENEFITS UPDATE

## **Universal Credit- Managed Migration**

'Managed Migration' is the final phase of the rollout of Universal Credit (UC), where the DWP - in a controlled way - is gradually contacting those who are still claiming legacy benefits to notify them that those benefits will be ending, and inviting them to claim.

## **Universal Credit instead.**

Anyone who receives a Migration Notice should get advice from our Welfare Rights Team before making their claim for UC (but be sure they make the claim by their 'deadline day').

Everyone has a three month window within which to claim from receipt of their letter.

## **DWP Current planned Timeline**

The DWP's current plan is to have all households claiming legacy benefits moved across to UC by the end of 2029:

- 2023/24 - Tax Credit only claimants (and some ESA & Tax Credits claimants)
- 2024/25 - All other Tax Credit claimants and those on Income Support, Income-Based JSA or just Housing Benefit
- 2028/29 All remaining ESA claimants

## **Universal Credit Budget Highlights**

Effective from summer 2023, the childcare costs support will be paid upfront to parents on Universal Credit moving into work or increasing their hours.

The maximum Childcare Costs Element will be increased to £951 for one child and £1,630 for two or more children from July 2023 and increased each year thereafter until 2027/8.

## **Conditionality for Parents**

New measures will require UC claimants who are lead carers of children aged 1 or 2 to meet with a Work Coach more regularly in order to prepare for work. Additionally, lead carers of children aged 3 to 12 will be supported to increase the number of hours they are expected to search or prepare for work each week.

## **Sanctions**

Measures will be put in place to strengthen the sanctions process, including automating parts of the process and training work coaches.

## **Bereavement Support Payment**

The Bereavement Benefits (Remedial) Order 2023 came into force on 9th February 2023 and extends eligibility to Bereavement Support Payment (BSP) and Widowed Parent's Allowance (WPA) to cohabiting couples with children. Previously, only surviving partners who were in a 'legal union' (i.e. married or in a civil partnership) could receive these benefits.

### **Do you know someone whose partner has died in the last 4 ½ years? If:**

- The surviving partner was under State Pension age, and
- They were living together as a couple, and
- They were responsible for a child and getting Child Benefit, and
- Their partner had worked at some point in their working life

Then they may be entitled to a retrospective payment of Bereavement Support Payment worth up to £9,800.

Bereavement Support Payments are totally disregarded as income for all means-tested benefits, and any lump sum payment, although classed as capital, will be disregarded for 12 months.

# Development Update

## **St Andrew Drive/St Johns Quadrant : New Supply Shared Equity Homes**

Phase two and three of the development at St Andrews Drive is due to complete early Summer, providing 120 new affordable homes for rent and sale in Pollokshields. The development includes 1, 2, 3 and 4 bedroom properties for sale via the New Supply Shared Equity Scheme (NSSE).

**To view the properties visit:**

**[www.southside-ha.org/letting/our-homes/](http://www.southside-ha.org/letting/our-homes/)**

**To enquire about our New Supply Shared Equity properties at St Andrews/St Johns Quadrant please contact our selling agent, Slater Hogg and Howison via:**

- **Call: 0141 432 1055**
- **Email: [shawlands@slaterhogg.co.uk](mailto:shawlands@slaterhogg.co.uk)**
- **Visit: 255 - 257 Kilmarnock Road, Shawlands, G41 3JF**
- **Website: [slaterhogg.co.uk/branch/estate-agents/shawlands#/](http://slaterhogg.co.uk/branch/estate-agents/shawlands#/)**

# CARDONALD LARDER FROM GOODFOOD SCOTLAND IS NOW OPEN!

Membership to the larder is £1 per month, and can be arranged at the larder. This will allow you access to purchase affordable food and essentials including: bread, fruit, vegetables, milk, meat, tinned goods, household items and personal products. The larder accepts both cash and card payments. Each item has a point value, and 1 point equals £1.

**Membership of the larder is open to all SHA tenants and everyone living or working in the Cardonald area.**

## Open every:

- Tuesday 10am - 1pm
- Thursday 3pm - 6pm

**Location:** 12 Swinton Place, Cardonald, G52 2EA

# BEAT THERAPY WITH KAREN DUNBAR

We loved having the community at Berryknowes together to create rap songs, with funding from the Big Lottery.

The session was really entertaining with Scottish comedian, actress and writer Karen Dunbar (best known from 'Chewin' the Fat') along to take the session.

Over the four workshops participants came together to share and write about their life experiences and develop these individual pieces into a rap song. At the end of the workshops willing participants performed the rap together and were given digital copies of the group rap!

**For updates on up and coming workshops and activities visit our Facebook: [www.facebook.com/SouthsideHA](http://www.facebook.com/SouthsideHA)**

# QUEENSLAND COMMUNITY PARK UPDATE

**Construction has now begun at Queensland Court and Gardens to transform the greenspace into Queensland Community Park.**

The project will provide dedicated toddler and children's play spaces, a bicycle pump track, and cycle storage facilities to encourage active travel.

Sustainable drainage measures that mimic nature such as raingardens, basins and swales will also be installed on site to better manage rainwater and reduce the likelihood of future flooding.

The joint project between SHA and Glasgow City Council through the City Deal backed by Metropolitan Glasgow Strategic Drainage Partnership (MGSDP), is the most recent phase of the Hillington and Cardonald Surface Water Management Plan.

The creation of this improved, more resilient community space responds positively to the climate emergency we are facing. It will deliver an accessible, open space for residents enhanced through an award-winning landscape design which has been recognised by Building with Nature and the Landscape Institute.

**Joining residents and representatives from SHA and other project funders, Councillor Elaine McSporry, Chair of the Cardonald Area Partnership hailed the start of the high-quality green retrofit work at Queensland Court and Gardens.**

Cllr McSporry said: "I'm delighted to see work commencing on a project that will deliver transformative environmental benefits that meet the needs and aspirations of Queensland Court and Gardens residents. The greenspace improvements offered by this Glasgow City Deal backed project will encourage greater social interaction and deliver a greener, more pleasant environment for play, recreation and active travel."

“The introduction of nature-based solutions to reduce the risk and impact of surface water flooding will also ensure the future useability and enjoyment of this valuable community space.”

Alex Cameron, Chair of SHA said: “The importance of access to good quality green space is of vital importance for physical and mental health. This is even more important for those living in high-rise accommodation such as the properties at Queensland Court and Gardens.

“We have worked hard over the last four years alongside Glasgow City Council and a range of funders to get the project to this stage and we look forward to seeing residents enjoying the benefits of what the space will offer.”

UK Government Minister for Scotland Malcolm Offord said: “This urban park will create a much-improved green space for both younger and older residents to enjoy, and hopefully be ready for them to enjoy the sun this summer.”

**“But even on the wettest of days the park should remain accessible to residents thanks to improved drainage that will help with adapting to climate change.**

**“The UK Government is supporting the project through our £523 million investment in the Glasgow City Region Deal, part of more than £2.2 billion for levelling up communities across Scotland.”**

Arthur Keller of NatureScot said: “As Scotland’s nature agency, we are always pleased to support the creation of good urban green spaces. It’s well recognised that improving greenspace in urban areas, brings environmental benefits in addition to health, economic and social benefits.

“The ERDF Green Infrastructure Fund has supported several projects across Scotland, including the nearby Halfway Community Park, and we’re delighted to be working again with Southside Housing Association. The fact that they closely involve local residents was a key factor in our decision to award funding. I am convinced that as well as the surface water measures, the improvements here will be valued by the local community and will benefit nature.”

The project is also part of a £37.5m Scottish programme of projects to improve the urban environment of our larger towns and cities. The Green Infrastructure Strategic Intervention is led by NatureScot and is part-funded through the European Regional Development Fund (ERDF). With 81% of Scotland’s population living in urban areas, the Green Infrastructure Strategic Intervention aims to make larger towns and cities more attractive, equal and environmentally sustainable places to live, work and invest in.

Other project funders include the Cardonald Area Partnership (through Glasgow City Council), the Scottish Government, Green Action Trust, EB Scotland, FCC Environment, Garfield Weston Foundation, The National Lottery Community Fund, Cycling Scotland, and the Clothworkers Foundation.

Construction at Queensland Court and Gardens is being carried out by contractor, RJ McLeod to a Sweco and Raeburn Farquhar Bowen design.

Work is due to be completed by the end of June 2023.

The next residents meeting is on Wednesday 17th May, 3:30pm - 4:30pm, at the residents lounge, 150 Queensland Gardens.

**For more information on the park visit: <https://snapt.io/OzDXD>**

**FUNDERS:**

# FRIENDS OF HALFWAY COMMUNITY PARK

Friends of Halfway Community Park (FOHCP) worked with the local community to create a time capsule that was buried at the park on Tuesday 4th of April and it will be recovered in 5 years.

Prior to the celebration FOHCP worked with the local community to decide what items will be included in the time capsule, and delivered a families workshop to design drawings and wishes for the park.

As part of SHA's Holiday Programme FOHCP offered another workshop to include people's documents in the time capsule to give more families the opportunity to be part of the project.

We can't wait to see what was included when we dig up the time capsule in 5 years!

This project was partially funded by the Local Area Partnership and supported by RJ McLeod and SHA.
